

From the desk of Rev. Fr. Angelo Mary Geiger, F.I.
General Delegate for the United States of America
Franciscans of the Immaculate

I would like to offer my enthusiastic recommendation of Raymond de Souza and his work for the Church. Raymond has been involved with our communities both here in the United States and in Australia for some years now, and I have had a number of opportunities to hear Raymond speak publicly and to work with him on projects of mutual interest.

Raymond is an apologist of extraordinary ability, who presents the Faith in a very cogent and popular way, and is capable of evangelizing people of all ages and backgrounds. We have organized a number of speaking venues for him in our area over the years and his presentations were very well received, and people have been deeply affected.

Most importantly Raymond communicates faith in action by his manner and by his conviction. He is not simply a great speaker. He exemplifies Catholic Action and is totally committed to the welfare of the Church and the salvation of souls.

I recommend him highly as a speaker on topics of Catholic Faith, Morals and Apologetics. He is also a very capable speaker for radio, television and public debate. Much of his work is available on audiotape or CD through Saint Gabriel Communications, a lay apostolate of Catholic apologetics and evangelization, which he founded.

May the Lord bless you.

Sincerely in Christ,

Father Angelo Mary Geiger, F.I.
