**From the desk of Rev. Fr. Thomas Euteneuer  
President  
Human Life International**

Please accept this unequivocal letter of recommendation on behalf of Mr. **Raymond de Souza** who is a very valuable associate with **Human Life International** in the cause of promoting and defending the sanctity of human life around the world, I have known him personally and admire his great service to the Kingdom of God that he has given unselfishly for so many years.

Mr. De Souza has such incredible language and speaking ability, combined with profound orthodoxy, that he is a valuable asset to the pro-life cause.

As a Catholic **evangelizer**, he understands the intimate connection between the loss of faith and the rise of the culture of death and is able to do something about it.

As a **missionary**, he has the zeal to travel, speak and organize others for the pro-life cause and he has done that successfully for our network, especially prior to the abortion referendum in Portugal in 2007.

As a **husband and father**, he has the sensitivity and authority to draw people out of the darkness and into Communion with Christ and His Bride, the Church.

My admiration and respect for Raymond are second to none, and I am glad to have him on our team in fighting the culture of death and promoting the culture of life!

Sincerely,

*Rev. Thomas J. Euteneuer*
